## We have an exciting opportunity for a **Silver Recovery Technician**

Permanent role based at our historic  
manufacturing site in beautiful  
Cheshire surroundings

- **Competitive salary**
- **Attractive hours**
- **Flexible working**

HARMAN Technology Limited, trading as ILFORD PHOTO, is a global market leader that has acquired over 140 years of specialist knowledge in black and white photographic products and a unique portfolio of equipment, facilities and expertise. Today, the company has a comprehensive service offering: contract coating; converting; warehousing and distribution as well as ongoing advances in new applications for silver halide technology through its R&D function and a commitment to innovation.

To support our strategy of growth and regeneration we want to ensure we have the right skills in place for the future and we want to ensure a thorough transfer of specialist knowledge from our experienced staff. With these aims in mind, we are looking to recruit a Silver Recovery Technician to join one of our manufacturing departments.

In this role, you will be responsible for the batch treatment of silver rich waste, the operation of the filtration press as well as the treatment and discharge of trade effluent to the local Wastewater Treatment Plant.

This position is one of fixed hours, 37.5 per week spread over four days (Monday to Thursday). The plant normally operates twenty-four hours a day, all year round. In the event of an incident, e.g. a spillage, it may be necessary for the Technician to attend site, providing support outside of normal working hours.

### **Ideal Candidate:**

- GCSEs (grade 4 or above) in English, Maths and a Science.
- Can work on own initiative, using own judgement to take correct and appropriate action.
- Be able to work alone for long periods of time daily.
- Must have an unrestricted right to work in the UK

### Salary & Benefits

- Competitive Salary
- Excellent holiday entitlement.
- Pension
- Access to a range of staff benefits

### Why Apply?

At the heart of Harman Technology is a warm and generous culture, alive with passion and authenticity. This is a unique opportunity for someone who is excited by technical challenges, interested by diverse working and strives to make a difference.

You will be supported by a company that allows you the autonomy to make a difference and bring your valued skills to the fore. In everything we do, our company takes pride in our products and as such this makes Harman Technology a great place to work!

If you would like to apply, please send your CV and a covering letter stating what you can bring to this role to Jane Langley, HR Manager, [jane.langley@harmantechnology.com](mailto:jane.langley@harmantechnology.com) or to the Human Resources Department, Harman technology Ltd, Ilford Way, Mobberley, Knutsford. Cheshire. WA16 7JL.

No agencies please.

Closing date for applications: 28<sup>th</sup> June 2019
